

# LUCIANO STANISZEWSKI

FULL STACK WEB DEVELOPER

## PERSONAL PROFILE

---

Hi i'm Luciano Staniszewski, have 25 years old & i'm a Full Stack Web Developer.

Actually i live in Villa General Belgrano, Córdoba, Argentina I love IT world, that's why i'm learning to use it's technologies.

In Front-End i like working with React, Redux & Css.

But i also love Back-End working with Express, PostgreSQL & DataBases

## EDUCATION

---

Full Stack Web Developer at soyHenry Bootcamp

## TECHNOLOGIES

---

- HTML
- CSS
- JAVASCRIPT
- REACT
- REDUX
- EXPRESS
- NODEJS
- SEQUELIZE
- POSTGRESQL
- SCRUM

## EXPERIENCE

---

### Bootcamp Henry

OCTOBER 2021 - MARCH 2022

- On the bootcamp i've learned how to use the technologies recently metioned & i realize some of the web apps that you could find in my LinkedIn profile:
  - Weather Web App
  - Movie Web App
  - Chronometer Web App
  - Pokemon Personal Project
  - VIPets Grupal Project

### CalamuchitaYa Delivery

MARCH 2020 - OCTOBER 2021

- Creation & Updating Web App
- Media Editing
- Data Entry

## SKILLS

---

I like to learn & i'm always willing to hear some constructive critics about my work.

I'm disciplined, i don't like to start a new project when there is another one unfinished

Love the challenges & also IT world. That's one of the reasons i managed to enter in this intensive bootcamp & learned about the Full Stack Web Developer Career & technologies
